

SC APCO Business Meeting 06/17/2015

President Roy Allison called meeting to order. President Allison announced that the chapter website was developing and that to keep checking it for updates. The South Carolina Chapters of APCO and NENA are having their first 2015 Conference Call on 06/18/15.

Shirlene Skipper gave a Treasurer's report. The Chapter has \$27,978.26 in their checking account. October 2014 we had 285 attendees at the Fall Conference and in April 2015 at the Spring Training we had 147 attendees, today at our June Training Business meeting we have 97 in attendance. These are our highest numbers yet. The Chapter is growing and currently has over 600+ members.

Old Business

Having none we move straight into New Business

New Business

First Vice President Tasha Todd took the floor to talk about the Fall Conference and to encourage new speakers to come forward when the Call for Papers goes out. She requested that older members start to mentor and promote the young blood to become active in what will be their Chapter.

Website, Ray Holiday of Pickens County is maintaining our website and would like to see more participation in the form of training announcements and pictures. The SC APCO Board is recommending the purchase of Dream Weaver, an easy and user friendly web server. Rick Blackwell made the motion and Pam Looper second, members present voted yes to the purchase.

Second Vice President Rick Blackwell brought it to the attention of the membership present that our Chapter by Laws needed to update to reflect where we are today and where we as a Chapter want to be in the future. Rick Blackwell recommended with put together a By Laws Committee and will be looking for some volunteers. Interested members watch the website for more information to be posted about this in the future.

With no addition new business the members present started the process of casting their ballots for the Chapter Officers. Once the ballots were collected they were counted by Pam Looper and Wayne Lynch and reflected the following officers.
